The go-to guide for
Upper Valley families

uppervalleykidstuff.com

The name of the magazine is “Kid Stuff.” But our readers are parents, grandparents, care givers, teachers and local business owners. It’s not to say that kids don’t read the magazine — we often feature local kids doing good or unique things, or have them write articles — but each magazine is a guide to help families navigate toddler tantrums, teen brains, seasonal stresses, what to do on the weekend and, simpler tasks, like what to make for dinner. We’ve got local experts writing columns and we always feature local family friendly businesses. It doesn’t matter if you’re selling cleaning services or real estate or insurance or new cars, *Kid Stuff* magazine is the perfect venue to get your business in front of families and remind them that you have something to offer.

Kid Stuff magazine provides:

- A wide distribution across the Upper Valley (Woodstock, V.t. to Warner, N.H.)
- Free online download from desktop or mobile phone
- Automatic links to your website (online only)
- More than 8,000 readers per issue (print and online)
- An annual event where local businesses can interact with readers
- A glossy keepsake format with content that doesn’t lose its value

“*Kid Stuff* advertising puts us in front of parents who are engaged. Engaged parents keep their children active and learning. That is what we do here at Upper Valley Aquatic Center, too. We offer lots of children’s programs: swim lessons, splash camp, parties and free child care for members.”

Lisa Vallejo Sorensen, Communications
Director, Upper Valley Aquatic Center

“*Kid Stuff* magazine helps our school to reach potential families interested in learning more about our program offerings and enrollment. The reader demographic is perfect to help us promote our school.”

Miss Christy, Head of School, Newport
Montessori School

“*Kid Stuff* is a fun magazine that gives us the opportunity to focus our advertising on our youth furniture, toys and more. It’s filled with events, activities and ideas for families — and it is free!”

Faye Harrington, Graphics and
Marketing, Love’s Bedding and
Furniture, LLC
